**Please be advised that under procedures approved by the MAG Regional Council, all MAG committees need to have a quorum to conduct the meeting. A quorum is a simple majority of the membership. If you are unable to attend the meeting, please make arrangements for a proxy from your entity to represent you.**

If you have any questions, please do not hesitate to contact Lindy Bauer at 254-6300.

TENTATIVE AGENDA

<u>TENTATIVE AGENDA</u>		<u>COMMITTEE ACTION REQUESTED</u>
1.	<u>Call to Order</u>	
2.	<u>Approval of the November 12, 1998 Meeting Minutes</u>	2. For review and approval of the November 12, 1998 meeting minutes.
3.	<u>Serious Area Carbon Monoxide Plan</u>	3. For information and discussion.
At the September 9, 1998 public hearing on the Draft Serious Area Carbon Monoxide Plan, EPA submitted comments indicating that the 1996 emissions inventory, which was being prepared by		

Maricopa County, should be incorporated into the plan. Also, ADEQ made changes to the implementation timelines for the interim vehicle emissions test cutpoints and nonroad engine standards, which necessitated modeling revisions. A status report will be given. The schedule for the completion of the Serious Area Carbon Monoxide Plan will be discussed. Please refer to the enclosed material.

4. Serious Area Particulate Plan for PM-10

Local governments have submitted commitments to implement a wide variety of measures for the Serious Area Particulate Plan for PM-10. The commitments from Maricopa County are tentatively scheduled for action by the Board of Supervisors on February 17, 1999. The County commitments, especially for Rule 310 Open Fugitive Dust Sources, will be the cornerstone measures for the new Serious Area Plan. A status report will be given. The schedule for the completion of the Serious Area Particulate Plan for PM-10 will be discussed. Please refer to the enclosed material.

5. Report on the MAG PM-10 Efficient Street Sweeper Workshop

On December 4, 1998, MAG conducted a PM-10 Efficient Street Sweeper Workshop. In addition to local governments, there were representatives from the South Coast Air Quality Management District and street sweeper manufactures at the workshop. A summary report will be given.

6. Legislative Update

An update will be given on the air quality bills under consideration by the Arizona Legislature in the 1999 session.

4. For information and discussion.

5. For information and discussion.

6. For information and discussion.

7. Call to the Public

An opportunity will be provided to members of the public to address the Air Quality Technical Advisory Committee.

8. Next Committee Meeting

In December 1998, the meeting schedule for February - December 1999 was transmitted to the Committee. The next Committee meeting is tentatively scheduled for March 11, 1999. Please refer to the enclosed material.

7. For information.
